Trade Show Services

- **Complete “International” Logistic Tradeshow Management Services**

Whether you are exhibiting in Las Vegas or Paris, our experienced staff can assist your company with all facets of your trade show participation. Responsibilities such as electrical orders, material handling and rigging, shipping and customs documentation, installation and dismantle, carpeting, lighting... can all be handled by Empire Exhibits & Displays. From the initial planning stages through budget development and production, Empire pursues accountability and responsiveness as a business standard.

- **On-site Installation and Dismantle Supervision**

For many clients, having an Empire representative on the trade show floor to supervise the installation and dismantle of their exhibit, booth, or display is an “insurance policy” for guaranteeing that the project will be handled smoothly and cost effectively. Our long established vendor relationships throughout the country and overseas provide our clients with an inherent confidence that Empire can handle any situation expediently and thoroughly.

- **Modulars, Portable and Tabletop Exhibits**

For our clients’ smaller trade show exhibit needs, Empire is a distributor of some of the finest portable and modular systems on the market including Laarhoven, Radius, Entasi, NLine, One Fabric, and Maverick. We can also take care of your banner stand needs with quality products from companies such as BrandStand.

- **Rental Exhibits**

Empire has a variety of rental exhibits available on a daily rental basis that can be customized to meet your exhibit needs. These displays allow for an economical means of exhibiting without incurring warehousing or refurbishment costs.

- **Graphic Production**

To complement exhibit production, Empire offers several types of graphic production including four-color ink jet prints, lambda prints, direct to substrate printing, phenolic resin prints, as well as vinyl and dimensional lettering. In addition to exhibit graphics, Empire can also provide vehicle lettering, indoor and outdoor building signage, and specialty signs.

- **Warehouse Storage**

Empire Exhibits & Displays occupies an 80,000 square foot heated warehouse and manufacturing facility located at 100 2nd Street, Watervliet, New York 12189. We offer convenient, cost-effective storage options to all of our clients.
